

## SilverStream Honors Customers and Partners at SilverGlobe Awards Event

**Billerica, MA, April 13, 2001** -- SilverStream Software, Inc. (Nasdaq: SSSW), today announced that it has honored several of its most innovative customers and partners for the creation of outstanding eBusiness solutions developed and deployed with the SilverStream product line. Four companies received a SilverGlobe Award as part of a gala event recently held at SilverSummit 2001, SilverStream's User Conference in Orlando, Florida.

SilverGlobe Award applicants vied for honors in four categories: Greatest Business Impact, Best Industry Solution, Distinguished Achievement and the Best In Application Showcase Award.

Selected from dozens of strong entries, eBusiness solutions from the following winning companies represented the very best examples of leading-edge work in their respective categories: ING Group, PIC Wisconsin, Creditex and Tricord Systems.

### About Creditex

Creditex is the global market leader in e-trading of credit derivatives. The first e-trading platform in credit derivatives, Creditex is used by more than 800 credit derivatives traders at the world's top financial institutions. The platform has electronically executed over \$0.5 trillion notional in credit default swap (CDS) indices, single-name CDS and standardized structured credit products. In 2005, Creditex pioneered the first Tradeable Credit Fixings, a milestone in bringing additional confidence and transparency to the market by providing a standard benchmark and settlement rate. The firm is also leading the industry in "straight-through processing" initiatives, allowing its growing client base to reduce operational risk and transaction costs. Having received numerous accolades in leading financial media including Credit, Euromoney, Forbes, Institutional Investor, Risk and, most recently, winning the IFR Innovation of the Year Award for pioneering the Credit Event Fixings, Creditex's technology continues to set the standard for innovation in the credit derivatives market.
